3. Miscellaneous.

(a) This First Amendment may be executed in multiple counterparts, each of which shall constitute one and the same instrument. Delivery by telecopier or electronic mail of an executed counterpart of a signature page hereto shall be effective as delivery of an original executed counterpart of this First Amendment.

(b) All questions concerning the construction, validity and interpretation of this First Amendment and the performance of the obligations imposed by this First Amendment shall be governed by the internal law, not the law of conflicts, of the State of Missouri.

(c) Each of the parties to this First Amendment represents and warrants to the other that such party is authorized to enter into this First Amendment and have taken all necessary action to approve the execution of this First Amendment.

(d) The Agreement, as modified herein, is hereby ratified and confirmed, and except for the modifications contained herein, all other terms and conditions of the Agreement shall remain unchanged and in full force and effect.

(e) The Parties acknowledge that the Bond Documents to finance eligible Development Project Costs associated with Development Project Phase II will include provisions that restrict the release of a portion of Bond Proceeds until certain project quality and other standards are achieved as detailed therein, subject to the approval of SLDC, such as:

(i) Bond Documents will include provisions which restrict the release of funds for eligible Development Project Costs associated with Development Project Phase II with release terms which are specifically tied to the completion of Development Project Phase II in a manner that is consistent with designated provisions, including lease up of a specified portion of retail space to Acceptable Tenants.

(ii) Bond Documents will include provisions which restrict the release of funds for eligible Development Project Costs associated with the Development Project Phase II with release terms which are specifically tied to the lease up of the Office Element to tenants which generate Net New Jobs.

(iii) Bond Documents will require submittal by Developer to the City for its approval a written report from a third party acceptable to the City, which verifies the projected number of Net New Jobs that will be created in the City by Development Project Phase II.

“Net New Jobs” shall mean (i) the number of FTE workers to be located in the Office Element, decreased by (ii) the Related Facilities Base Employment Amount less the average number of FTE workers at Related Facilities projected to occupy the Related Facilities during the twelve (12) month period following the occupancy of the Office Element by the applicable tenant. “FTE workers” means, collectively, full time equivalent employees, independent contractors or licensees of a tenant or subtenant of the Office Element or a Related Facility, as applicable, who are subject to the Payroll Expense Tax levied pursuant to Ordinance No. 60737 or any successor thereto or the Earnings Tax levied pursuant to Ordinance No. 47063 or any successor thereto, for work done or services performed or rendered at such facility and who perform their occupation primarily at or are home based at such facility, based on a 35 hour work week. The number of FTE workers shall be determined based on a reasonable projection of FTE workers certified by a tenant of the Office Element and based on the square footage to be leased by such tenant in the Office Element. “Related Facilities” means any office or facility located within the City of St. Louis in which an Office Element tenant (or its Affiliate) conducts operations substantially similar to its operations in the Office Element. “Related Facilities Base Employment Amount” means the greater of the number of FTE workers located at all Related Facilities on \_\_\_\_\_, 20\_\_\_\_, or the average number of FTE workers located at all Related Facilities for the twelve (12) month period prior to \_\_\_\_\_,

20\_\_\_\_. Notwithstanding the foregoing, in the event a tenant of the Office Element provides a written statement to the City of St. Louis that the decrease in FTE workers at Related Facilities is due primarily to the movement of FTE workers to the Office Element, and such FTE worker opportunities would have otherwise, but for the Office Element, been permanently lost or relocated from the City of St. Louis (the “Retained Jobs”), then in such event the number of FTE workers to be located in the Office Element shall not be reduced by the number of Retained Jobs.

(g) Developer agrees that at Closing on Development Project Phase II, it shall reimburse the City, SLDC, Issuer and the Authority for any reasonable costs incurred with the preparation, negotiation or approval of this First Amendment or legislation authorizing the same and incurred with respect to the Closing on Development Project Phase II, including any third party studies or reports and any third party or professional services. Notwithstanding the foregoing, Developer agrees that if the Closing for Development Project Phase II has not occurred within one (1) year from the execution of this First Amendment, it shall, within thirty (30) days of receipt of a valid invoice, bill or statement, from the City, SLDC, the Issuer or the Authority, reimburse the City, SLDC, Issuer and the Authority for all such costs incurred to such point in time, provided, however, the aggregate amount of such interim reimbursement shall not exceed \$100,000.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, the City and the Developer have caused this First Amendment to be executed in their respective names and the City has caused its seal to be affixed thereto, and attested as to the date first above written.
