PR DALTON V. UBER TECHNOLOGIES, INC
(NA)

v.

UBER Technologies Inc,
Defendant's

42 USC 1983
Violation of Civil Rights

Comes now, Jason Brian Dalton, in
pro-se, I am suing Uber technologies
for \$10,000,000.00 Million Dollars
in Punitive Damages.

I worked years as a Uber contractor and
they ripped me off, never paid me back
wages or overtime. I busted my butt
for them. They gave me NO Christmas Bonus,
I wasn't invited to Any corporate parties,
they made me work when I was sick and
didn't let me spend time with my 2
children. Uber treats their drivers like crap.
I had to pay my own gas and I hit lots of
potholes and Uber would NOT FIX my
Chevy Equinox and Uber would call my
phone late at night and make me work
or say I was Fired. This company is a
hostile workplace environment I am tired
of being treated by a 2nd class citizen
by Uber. Uber discriminates Against
my mental health

I am currently in prison because of uber.
uber doesnt care about its Drivers, we are
Peasants and pawn pieces to ubers bottom
line. Defendants manipulate all uber Drivers.
My life is Ruined because of uber. My
Wife is Divorcing me because of uber.
I seek \$10 million Dollars in punitive
damages and Emotional distress, I have
Psychological Damage because of uber.

I pray this court will grant my
42 USC 1983 Fr relief.

I seek a Jury trial

3/11/16

Respectfully
Submitted
