

The logo of Wright-Patterson Air Force Base is a stylized, light blue and yellow emblem. It features a central circular element with a yellow border, surrounded by four triangular shapes pointing outwards, each containing a smaller yellow circle. The entire emblem is set against a background of a light blue diamond shape with a yellow border.

Wright-Patterson Air Force Base

*Colonel Cassie Barlow
Installation Commander*

U.S. AIR FORCE

Significance of Wright-Patterson AFB

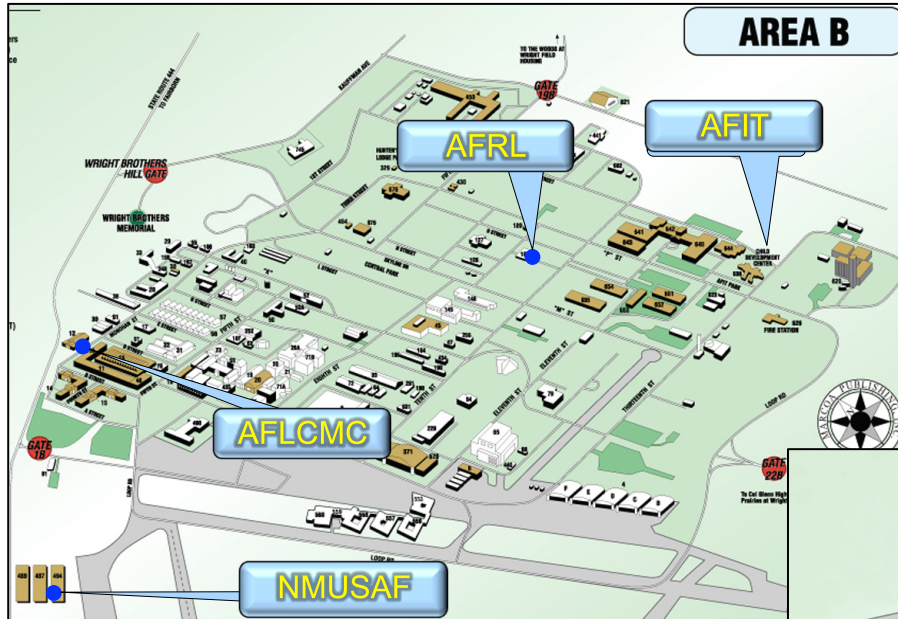

- **Largest Single site employer in the State of Ohio**
- **Annual payroll of approx \$2.05B**
- **Home to AFMC – Executing 40% of the entire U.S. Air Force Budget**
- **BRAC '05 – COMPLETED!**
 - **Largest MILCON project awarded since WWII - \$353M**
 - **1277 NEW positions**
 - **Aggressive recruiting in highly specialized positions (PhD & Scientists)**
 - **1M Sq Ft facility**
- **NMUSAF attracts over 1.3M visitors per year;**
- **Area schools receive over \$1M in Federal Aid**

\$4.6 Billion Total Economic Impact

Challenges

Utilities

- One of the largest bases in Air Force
- Complex - supports development, test, research, life cycle mgt, intel, advanced education & flying operations
- **Based on FY14 bogey, no utilities late Jun 14**

Logistics Readiness Contract

- Support multiple COCOMs, Departments & Agencies contingent msns
- **Based on FY14 bogey, contract ceases late May 14**

Aging IT infrastructure

- Largest network in Air Force
- **Network backbone obsolete end of 15 (\$4.8M)**

Personnel Challenges

Brain drain trending at 88th serviced units

WPAFB Separations 1 Oct 2009 to 13 Aug 2013

Last four months **13.5** is median number of folks retiring a month

Up 4 per month from median for six months prior to above time period

for WPAFB serviced population only

Cost Effectiveness Actions

- **CE Energy Mgt Control Center -- avoids \$2.9M a year**
- **Coal to Gas Conversion -- saves \$2.3M & reduces 290K tons of greenhouse gas emissions**
- **Centralized Recycling -- saves \$140K**
- **Power Off Campaign – save 5K/10K per weekend**
- **Upgrading Bldg Efficiency as Renovations Occur**
- **Initial research to eliminate vending machines ~\$60K energy savings per year**
- **Researching:**
 - 24/7 swipe only fitness facility(s) – more availability
 - Integrated Learning Center – \$270K a year
 - Combined FTAC, ILC and A&FRC

Where do we go from here?

U.S. AIR FORCE

Enhanced Use Leases

- An EUL is a lease
 - By the government
 - Of “non-excess” property
 - Under the control of the government
 - To a public or private sector lessee
 - In exchange for at least fair market value rental payments in cash and/or in kind consideration

Aim High... Fly – Fight – Win

U.S. AIR FORCE

EUL Program Benefits

- **Provides installations with alternate funding stream**
- **Maximizes value of non-excess real property assets**
- **Supports SAF/IE's \$5B Goal**
- **Contributes to DoD's 1GW Renewable Energy Plan**
- **Facilitates community collaboration**
 - **Supports base development and state/local economic development**
- **Upgrade/construction of AF facilities/infrastructure**
- **Supports encroachment management**

Aim High... Fly – Fight – Win

U.S. AIR FORCE

Signed EUL Example

Hill AFB

EUL facilitated new construction, maintenance and repairs.

Land Lease for construction of Falcon Hill National Aerospace Research Park - 8M SF of office space, hotels and restaurants

- **New Security Forces Building**
- **Contractor Support Offices**
- **New installation gate**
- **Street improvements**
- **All funded through EUL in-kind consideration monies**

Aim High... Fly – Fight – Win

U.S. AIR FORCE

WP EUL Considerations

- **Ongoing EUL**
 - **Hyperbaric Chamber at WPAFB Med Center**
- **Future Plans**
 - **WP, DDC & Community Partners Explore Opportunities**
 - **Four Targeted Growth Areas for the Dayton Region**
 - **Aerospace/Defense**
 - **Advanced Materials & Manufacturing**
 - **IT & Advanced Data Management**
 - **Biosciences (Health Care / Human Sciences)**
- **Next Step**
 - **Formulate Marketing Outreach & Development Analysis**
 - **Narrow Candidates to Most Successful/Beneficial Options**

Aim High... Fly – Fight – Win

U.S. AIR FORCE

Future Development Areas

- **WPAFB Total: 8,145 acres**
 - Constraints (Clear Zones, Flood Plain, etc.): 4,300 ac.
 - Improved areas (Facilities, Roads, etc.): 3,356 ac.
 - Land Remaining for Development: 489 ac.
- **Three future development areas – 489 acres**
 - Area B – 290 ac.
 - Areas A– 144 ac.
 - West Ramp and North End – 55 ac.
- **Installation Development Plan**

U.S. AIR FORCE

Public-Private Partnership

- DoD desire to expand partnering opportunities to encompass a broader range of sustainment functions and processes
- Basic types of public-private partnerships
 - *Workshare*
 - *Direct Sale (sales of articles and services)*
 - *Lease*

U.S. AIR FORCE

Public-Private Partnership

- ***Benefits to partnerships***
 - Avoidance of capital investment through utilization of existing organic facilities and infrastructure
 - Access to a motivated, skilled, and fully trained organic workforce with applicable expertise, comparable labor rates, and long-term workforce stability
 - Ability to leverage process permits and related environmental and hazardous materials licensing already in place at organic facilities
 - Access to laboratories, centers, ranges, and test facilities for the testing of materials, equipment, systems, software, and related specialized capabilities
 - Potential reduction in operating costs through the use of shared facilities, equipment, information, and related resources
 - Establishment of more collaborative working relationships between the public and private sectors
 - Potential to expand the activity's business base

U.S. AIR FORCE

Community Partnership Successes

- In 2012 alone, Wright-Patt Volunteered over 238,062 hours each year equating to \$5,187,370.98!
- 2,300 Students Impacted by STARBASE
- 15,000 USAF Marathon Participants
- Graduate Medical Partnerships with multiple Universities
- US Air Force Band of Flight gave 198 performances reaching over 1 Mil people!
