REQUEST FOR QUALIFICATIONS (RFQ) FOR ARCHITECTURAL SERVICES

The City of Waller, TX is requesting Statements of Qualifications from firms and individuals desiring to perform various space needs assessment, estimated costs and preliminary conceptual design of various facilities for future bond planning.

The City of Waller desires to enhance several city-owned public facilities to provide citizens with efficient services, places to utilize for family activities, and ensure the kind of quality of life that seems to attract people to Waller. The current City Hall, constructed in 1954, has limited efficiency to operate and is overcrowded for current use and staffing. The current public library has serviced the City well; however, every facet of the library operations are now limited by space demands, and there is no adequate place the many community groups, summer programs, or computer expansion that many citizens asked for. The Old Lions Club property located on Waller Street was purchased in 2015 for use as a Civic Center and possible outdoor recreation area. The City would like to enlarge the current Civic Center with areas for meetings, weddings, parties, various shows, and events citizens and visitors would enjoy. The City has several sites for outdoor parks/recreation venues to consider.

One (1) original and five (5) copies of the qualification statements shall be addressed to Cynthia Ward, City Secretary, City of Waller, TX, and 1118 Farr Street, Waller, Texas 77484. **Sealed qualifications shall be clearly labeled and shall be received no later than 2:00 P.M. on February 22, 2017. Proposals will not be accepted by email or facsimile.**

The City will not be responsible for any cost in preparation of the document. The City of Waller encourages Disadvantaged Business Enterprises to participate. Waller is an Affirmative Action/Equal Opportunity Employer.

Cynthia Ward
City Secretary
