ADVERTISEMENT FOR DESIGN/BUILD SERVICES

The City Secretary for City of Houston will receive Statement of Qualifications (SOQ) at 900 Bagby, Room P101, Houston, Texas for the following General Services Department project(s):

Project Name and Number: HFD Training Academy Burn Building Renovation C-000212-0001-3

Project Description: The existing HFD Val Jahnke Burn Building's fire training systems are past useful life and technology; in addition the existing structure requires repair from continued damaging heat and fire training. Training fires must incorporate a safety network that can control the environmental conditions (heat and smoke) in the training rooms. Furthermore, a safety network must also be present to automatically extinguish fires in the event of an emergency. Current fire training curriculum requires that trainers be able to control fire behavior conditions through variable ventilation to properly simulate fire conditions. The work required will be to retrofit new fire environment technology training system and burn cribs and repair the existing 12,000 s.f. shell structure and install concrete heat shield tiles throughout the 1st and 2nd floors of the building. The fire environment technology training system shall be a controllable fire system that includes an integrated safety network, emergency shutdown and controllable integrated ventilation systems for fire behavior training and safety. The burn cribs will also be used in several rooms in order to create small fires and smoke that can be monitored by the technology.

Qualification Submittal Date: Thursday, February 16, 2017
Project Location: Houston Fire Department Val Jahnke Campus
Project Manager: Gilberto Lopez / Phone Number (832) 393-8122
Estimated Project Budget: \$ 2,239,000
Pre-submittal Meeting: Monday, February 6, 2017 at 10:30 a.m. City Hall Annex, 900 Bagby, 2nd Floor Conf. Room

SOQ will be accepted until 2:00 p.m., local time on the date shown above. SOQs received after that time will not be accepted.

RFQs will be available beginning on Friday January 27, 2017 at <http://www.houstontx.gov/general-services/Advertisements>. Addenda will be distributed at no cost to those who are registered RFQ holders with the City.

This bid is subject to "Hire Houston First" as set out in Chapter 15, Article XI, City Code. It is unlawful for any Contractor to contribute or offer any contribution to a candidate for City elective office during a certain period prior to and following a contract award. Bids/ Proposals will be accepted until 10:30 a.m., local time on the Bid/Proposal Date shown above. Bids/Proposals received after that time will not be accepted. Bids/Proposals will be publicly opened and read aloud at 11:00 a.m. on the same day in City Council Chambers. All interested parties are invited to attend. Place and date of Bid/Proposal opening may be changed in accordance with Sections 15-3 (b) (5) and 15-3(b)(6) of the City of Houston Code of Ordinances. Proposer/Low bidder shall comply with City of Houston Code of Ordinances. All bidders/proposers shall comply with Article II, Chapter 15, City of Houston Code of Ordinances.

The requirements and terms of the City of Houston Pay or Play Program, as set out in Executive Order 1-7 and Ordinance 2007-0534, are incorporated into these projects for all purposes. All bidders/proposers shall comply with the terms and conditions of the Pay or Play Program as they are set out at the time of City Council approval of this Agreement.

Project M-430005-0003-4, N-210002-0001-4, R-000265-0112-4, S-000900-0126-4, R-000265-0133-4 and R-000267-0116-4 are subject to the Hire Houston First program, which gives a preference to certain local bidders/proposers in award of the contract. For more information, go to: <http://www.houston.tx.gov/obo/hirehoustonfirst.html>.

For Project R-000265-0112-4 and R-000265-0133-4, access to the project site is restricted. Bidders should review Document 00210-Supplementary Instructions to Bidders – for instructions.

Bid/Proposal documents and drawings may only be obtained electronically at the City's website: <http://bidsets.publicworks.houston.tx.gov/>.

Projects may contain City of Houston Standard Construction Specifications for Wastewater Collection Systems, Water Lines, Storm Drainage, Street Paving, and Traffic sections that are incorporated into Project Manual by reference. These Standard Specifications, along with Standard Details, may be acquired at no cost on the City's website at: <https://edocs.publicworks.houston.tx.gov/engineering-and-construction/specifications.html>.

Bidders should review Document 00210 – Supplementary Instructions to Bidders - to determine whether the contract will be a City Street and Bridge Construction or Improvement Contract which requires a current Certificate of Responsibility filed with the Director of Public Works and Engineering no later than three business days prior to Project Bid Date. A Certificate of Responsibility is a valid Prequalification Approval Letter issued by TxDOT stating that a Bidder is qualified to bid on State Highway improvement contracts pursuant to 43 Texas Administrative Code, Section 9.12, as it may be amended from time-to-time, and Chapter 15, Article IV of the Code of Ordinances, Houston, Texas.

Project R-000266-0253-4 is expected to be funded in part by a loan from the Texas Water Development Board an agency of the State of Texas. Neither the State of Texas nor any of its departments, agencies, or employees is or will be a party to this Contract. Low Bidder(s) will be required to comply with the federal wage and payroll requirements issued by the U.S.

Department of Labor under the Davis-Bacon and related Acts, as further described in Document 00806. This contract is subject to the Environmental Protection Agency's (EPA) "fair share policy", which includes EPA-approved "fair share goals" for Minority Business Enterprise (MBE) and Women Business Enterprise (WBE) firms. EPA's policy requires that contractors make a good faith effort to award a fair share of subcontracts to Minority Business Enterprise and Women-Owned Business Enterprise firms. Although EPA's policy does not mandate that the fair share goals be achieved, it does require prime contractors to demonstrate use of the six affirmative steps. The current fair share goals for the State of Texas are as follows: MBE 12.94% and WBE 8.72%.

Proposers should review Document 210CSP – Supplementary Instructions to Proposers – for instructions

For Project M-430005-0003-4, N-210002-0001-4, R-000265-0112-4, S-000900-0126-4, R-000265-0133-4 and R-000267-0116-4, bidders/proposers shall comply with City Ordinance 2013-0428, Chapter 15, Article V, City of Houston Code of Ordinances, as amended, and City of Houston Office of Business Opportunity Minority, Women, and Small Business Enterprise (MWSBE) Procedures. The Lowest Responsible Bidder/Proposer will be required to demonstrate good faith efforts to achieve a MWSBE participation goal as stated in Document 00800/800CSP– Supplementary Conditions (Contract Goal) in accordance with Document 00808 – Requirements for the City of Houston Program for Minority, Women, and Small Business Enterprises and Persons with Disabilities Enterprises (PDBE).

For **Project S-000900-0126-4**, the contract is contingent upon release of funds from the Texas Water Development Board (TWDB). Any contract or contracts awarded under this Advertisement for Bids/Proposals are expected to be funded in part by a loan from the Texas Water Development Board, and shall be referred to as Project #51021. Neither the State of Texas nor any of its departments, agencies, or employees is or will be a party to this Advertisement for Bids/Proposals or any resulting contract.

It is unlawful for any Contractor to contribute or offer any contribution to a candidate for City elective office during a certain period prior to and following a contract award. Bidders/Proposers should refer to Chapter 18, City of Houston Code of Ordinances for filing requirements and further explanation.
