Dear Senator McConnell,

Congratulations on your recent legislative win! I understand the *Tax Cuts and Jobs Act* was enacted under your leadership to grow jobs and paychecks and help middle-class families. While UPS continues to make record profits and Corporate Executives receive huge raises, the UPS aircraft maintenance employees, represented by Teamsters Local 2727, have been without a raise for over four years. In 2016 alone, UPS CEO David Abney gave himself a 15% raise, UPS CFO Ricky Peretz received a 251% raise, UPS CCO Al Gershenhorn received a 27% raise and UPS U.S. President Myron Gray received a 69% raise.

During a meeting with UPS employees in September 2017, UPS CEO David Abney and House Ways and Means Committee Chairman Kevin Brady assured UPS employees this new legislation would increase paychecks and deliver real relief for hardworking families across our nation. Being without a raise for four years, I'm sure you would agree it's time to deliver the wages and benefits UPS employees deserve!

While AT&T, Comcast, Fifth-Third Bank, Wells Fargo, & Boeing plan to raise wages and benefits for their workers immediately, UPS asks their workers to take pay cuts and reduce benefits. I'm hoping our members, UPS employees and your constituents can count on you to deliver the relief promised through this new legislation. I would like to meet with you as soon as possible to discuss and plan how that relief will be provided.

I look forward to your timely response.

Sincerely,
