Memorial City Redevelopment Authority
Tax Increment Reinvestment Zone No. 17

Project Name: W140-01-00 Briar Branch Storm Water Detention Basin Expansion and Storm Sewer Improvements

Bids Due: August 22nd, 2024

Sealed Bids in duplicate addressed to Memorial City Tax Increment Reinvestment Zone No. 17 will be received at Gauge Engineering, 11750 Katy Freeway, Suite 400, Houston, Texas 77079, until **03:00 P.M., Thursday, August 22nd, 2024**, for the furnishing of all labor, materials, equipment, and performing all work required for the W140-01-00 Briar Branch Storm Water Detention Basin Expansion and Storm Sewer Improvements Project. Bid opening will take place at **3:00 P.M.** A cashier's check or bid bond in the amount of 10% of the total amount bid must accompany each bid. The successful bidder will be required to provide a performance and payment bond as provided in the contract documents for the full amount of the contract.

Scope of Project: The project involves constructing reinforced concrete boxes and a half-road replacement on Westview Drive, Cedardale Drive, Demaret Lane, and Windhover Lane. This flood benefit must be mitigated with increased detention volume at property with HCAD Account No. 0430080000801 where the existing basin will be deepened lower than the receiving channel. A subsurface barrier wall will be installed to keep out infiltrating groundwater, and a storm water lift station will pump out the stormwater. There are also street lighting improvements at Gessner Road and Westview Drive. The project also involves sidewalks with ADA compliant wheelchair ramps, driveways, pavement markings, etc. The engineer's estimated cost of this project is approximately \$13.9M.

Bidders shall make Good Faith Efforts to comply with the Texas Commission on Environmental Quality's fair share objective regarding MBE and WBE participation goals as shown in Document 00473 of the Project Manual.

Memorial City Redevelopment Authority / Tax Increment Reinvestment Zone No. 17 (TIRZ 17) may award the contract for the project to the most responsible bidder who, in the judgment of the TIRZ 17, will be most advantageous to the TIRZ 17 and results in the best and most economical completion of the project. Bidders shall also submit qualifications with their bids set forth in the contract documents. Plans, specifications, and bid documents are available at www.civcastusa.com

 Phone conference ID: 100 936 03#

The above described construction will be performed in accordance with plans and specifications and any addenda thereto which may be issued prior to the opening of bids. Plans, specifications and bid documents may be obtained at the CivCast Website (www.civcastusa.com). Documents are also available for review at the office of the Engineer or Houston area plan rooms.

Each Bid must be accompanied by a Certified or Cashier's Check, from a responsible bank in the State of Texas, or a Bid Bond, issued by a surety legally authorized to do business in the State of Texas, equal to two percent (2%) of the total bid amount. Make the Cashier's Check, Certified Check or Bid Bond payable to the Owner. Bids submitted electronically via the CivCast Website must be accompanied by a scanned electronic copy of the above described check or bond and, if the Contractor is one of the three low bidders, the original check or bond must be delivered to the offices of the Engineer for the District by 5:00 p.m. on the day of the bid opening. If the original check or bond is not received at the office of the Engineer for the District, the Contractor's bid shall be deemed to have been withdrawn.

If the Contractor is not one of the three low bidders, he may pick up his Cashier's Check Bid Security the following business day after the bid opening. If the Contractor is the third low bidder, he may exchange his Cashier's Check Bid Security for a two percent (2%) bid bond after the seventh (7th) calendar day after the bid opening. If the Contractor is the second low bidder, he may exchange his Cashier's Check Bid Security for a two percent (2%) bid bond after the fourteenth (14th) calendar day after the bid opening. If the Contractor is the low bidder, the Cashier's Check Bid Security will be returned after the Contract Documents are executed by all parties.

The successful bidder must furnish within **seven (7) calendar days from the date the Contractor is notified that the Contract Documents are available for pick up**, a Performance Bond and a Payment Bond on the forms furnished with the Contract Documents, each in the amount of one hundred percent (100%) of the total Contract price. The Surety Company must be authorized to do business in Texas, which authorization must be recorded in the files of the State Board of Insurance. The Surety Company must be authorized to issue Payment and Performance Bonds in the amount required for the particular contract, which authorization must be recorded in the files of the State Board of Insurance. The Surety Company must have a rating of at least "A" in the current *Best's Key Rating Guide*, or if the Surety Company does not have such a rating due to the length of time it has existed, the Surety Company must be eligible to participate in the Surety Bond Guarantee Program of the Small Business Administration and must be an approved surety listed in the current U.S. Department of Treasury Circular 570, and must meet all of the related rules and regulations of the Treasury Department. The person executing the Payment and Performance Bonds must be a licensed Texas local recording agent and such licensing must be recorded in the files of the State Board of Insurance. The person executing the Payment and Performance Bonds must be authorized by the Surety Company to execute Performance and Payment Bonds on behalf of the Company in the amount required for the contract and such authorization must be recorded in the files of the State Board of Insurance. The Contract shall not be in effect until such bonds have been provided by the Contractor and accepted by the Owner.

The Owner reserves the right to reject any or all bids or to accept any bid deemed advantageous to it and waive informalities in bidding. All bids received after the above-designated closing time will be returned to the Contractor unopened.

Low bidder shall comply with City of Houston Code of Ordinances. All bidders shall comply with Article II, Chapter 15, City of Houston Code of Ordinances.

All bidders shall comply with the terms and conditions of the Pay or Play Program as set out in Executive Order 1-7 and Ordinance 2007-0534 and as they are set out at the time of City Council approval of this Agreement.

Projects are subject to the Hire Houston First program, which gives a preference to certain local bidders in award of the contract. For more information, go to: <http://www.houston.tx.gov/obo/hirehoustonfirst.html>

These Standard Specifications, along with Standard Details, may be acquired at no cost on the City's website at: <https://www.houstonpermittingcenter.org/office-city-engineer/design-and-construction-standards>

Bidders should review Document 00210 – Supplementary Instructions to Bidders.

It is the City of Houston's policy to ensure that Minority and Women Business Enterprises (MWBE) have full opportunity to compete for and participate in City contracts. Contractor shall comply with the City's MWBE Program as set forth in Chapter 15, Article V of the City of Houston Code of Ordinances, as well as the Policies and Procedures of the Office of Business Opportunity (OBO) found on OBO's website at <https://www.houston.tx.gov/obo/docsandforms/OBO-Policies-Procedures-2021-September.pdf>. Contractor acknowledges that they have reviewed the requirements for good faith efforts on file with OBO, available at <https://www.houston.tx.gov/obo/docsandforms/goodfaithefforts.pdf>, and will comply with the set forth requirements.

For project **R-000266-0358-4** this contract is contingent upon release of funds from the Texas Water Development Board (TWDB). Any contract or contracts awarded under this Invitation for Bid (IFB) are expected to be funded in part by financial assistance from the TWDB. Neither the U.S. Environmental Protection Agency (EPA) or the State of Texas, nor any of its departments, agencies, or employees, are or will be a party to this IFB or any resulting contract. Any contract(s) awarded under this Invitation for Bids is/are subject to the American Iron and Steel (AIS) requirements of Section 608 of the Federal Water Pollution Control Act. This contract is subject to the Environmental Protection Agency's (EPA) Disadvantaged Business Enterprise (DBE) Program, which includes EPA-approved fair share goals toward procurement of Minority and Women-owned Business Enterprise (MWBE) businesses. EPA rules require that applicants and prime contractors make a good faith effort to award a fair share of contracts, subcontracts, and procurements to MWBEs through demonstration of the six affirmative steps. For more details of the DBE Program and the current, applicable fair share goals, please visit <http://www.twdb.texas.gov/dbe>. All qualified Applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy), sexual orientation, gender identity, national origin, age (40 or older), disability, or genetic information. Bidders on this work will be required to comply with the Department of Labor regulations at 41 CFR Part 60-4, relating to Construction Contractors--Affirmative Action Requirements, which include the President's Executive Order No. 11246, as amended by Executive Order No. 11375 and Executive Order No. 13672, in the award and administration of contracts awarded under TWDB financial assistance agreements. Failure by the Contractor to carry out these requirements is a material breach, which may result in the termination of the awarded financial assistance. Davis-Bacon prevailing wage requirements apply to the construction, alteration or repair of treatment works carried out, in whole or in part, with assistance made available by the Clean Water State Revolving Fund (CWSRF). The Davis-Bacon prevailing wage requirements apply to Contractors and Subcontractors performing on federally funded or assisted contracts in excess of \$2,000 for the construction, alteration or repair (including painting) of a treatment works project under the CWSRF. For prime contracts in excess of \$100,000, Contractors and Subcontractors must also, under the provisions of the Contract Work Hours and Safety Standards Act, as amended, pay laborers and mechanics, including guards and watchmen, at least one and one-half times their regular rate of pay for all hours worked over 40 in a workweek. The Fair Labor Standards Act may also apply to Davis-Bacon covered contracts. Any contracts or subcontracts in excess of \$2,000 must include the provisions of the Davis-Bacon Wage Rate Requirements found in TWDB Guidance No. DB-0156. The City reserves the right to reject any and all bids.

It is unlawful for any Contractor to contribute or offer any contribution to a candidate for City elective office during a certain period prior to and following a contract award. Bidders should refer to Chapter 18, City of Houston Code of Ordinances for filing requirements and further explanation.
