IN THE DISTRICT COURT OF

TRAVIS COUNTY, TEXAS

_____ JUDICIAL DISTRICT

ASSURANCE OF VOLUNTARY COMPLIANCE

The State of Texas, acting by and through Attorney General Greg Abbott and the Consumer Protection Division of the Office of the Texas Attorney General (“State”), and AT&T Mobility, LLC, acting on behalf of itself and its FCC licensed wireless operating affiliates, successors, and assigns (“Carrier”) have agreed to the submission and entry of this Assurance of Voluntary Compliance (“Assurance”) for the Court’s approval and filing in accordance the Texas Deceptive Trade Practices – Consumer Protection Act, section 17.58 of the Texas Business & Commerce Code.

I. BACKGROUND

1. The Attorneys General are responsible for enforcing their respective unfair and deceptive acts and practices laws and other consumer protection laws in their respective states and commonwealths.
2. Carrier is a Delaware limited liability company located at 1025 Lenox Park Boulevard, Atlanta, Georgia. Carrier is a leading provider of mobile telephone services.
3. The Attorneys General allege that the practice of placing charges on Consumers’ mobile telephone bills that have not been authorized by the Consumer, known as “cramming,” is a major national problem.
4. The Attorneys General allege that Consumers who have been “crammed” often complain about charges, typically \$9.99 per month, for “premium” text message subscription services such as horoscopes, trivia, and sports scores that they have never heard of or requested.
5. The Attorneys General allege that cramming occurs when Carrier places charges on Consumers’ mobile telephone bills for Third-Party Products without Consumers’ knowledge and/or authorization.
6. The Attorneys General allege that many Consumers are unaware that their mobile telephones can be used to make payments for Third-Party Products, and that Consumers often pay Unauthorized Third-Party Charges without the knowledge that the charges have been placed on their mobile telephone bills.

7. Carrier believes that it has fully and voluntarily cooperated with the Attorneys General in their inquiries regarding the placement of unauthorized Third-Party Charges on mobile telephone bills. Although Carrier denies any liability based upon the allegations above, in order to resolve this dispute, Carrier has agreed to the terms of this Assurance.

The Consumer's Express Informed Consent may be provided to Carrier or to another person or entity obligated to Carrier to obtain such consent. The Carrier or other person or entity shall retain sufficient information to allow such consent to be verified. If Express Informed Consent is not directly collected by Carrier, Carrier shall implement reasonable policies and practices² to confirm Express Informed Consent will be

While the system described by this Paragraph is being developed and implemented, Carrier shall take reasonable steps to obtain Express Informed Consent before a Consumer is billed for any Third-Party Charge.

12. Purchase Confirmation for Third-Party Charges: Carrier shall implement a system whereby the Consumer (and, for multiline accounts, the primary or principal account holder or owner (collectively “primary account holder”), if designated) will be sent a purchase confirmation separate from the Bill of every Third-Party Charge that will appear on his or her Bill. Any such purchase confirmation shall be sent within a reasonable period of time following the time a Third-Party Product is purchased or renewed and identify the Block options that Carrier makes available to Consumers and/or provide access to such information. For multiline accounts, Carrier may provide the primary account holder the option to elect not to receive such purchase confirmations.
13. Information on Blocking: No later than September 30, 2014, to the extent Carrier permits Third-Party Charges on Consumers’ Bills, Carrier shall provide a Clear and Conspicuous disclosure about Third-Party Charges and Block options in informational material provided at or near the time of subscribing to or activating service, and which is provided in a context separate from the actual subscriber agreement document. Such disclosure shall include or provide access to a description of Third-Party Charges, how Third-Party Charges appear on Bills, and options available to Consumers to Block Third-Party Charges. Consumers shall not incur any data or text charges for receiving or accessing the information discussed in this Paragraph.
14. Billing Information and Format: No later than February 1, 2015:
 - a. Except for pre-paid mobile accounts, all Third-Party Charges shall be presented in a dedicated section of the Consumer’s Bill (or in a dedicated section for each mobile line on the account, if the Bill sets forth charges by each line) and shall be set forth in such a manner as to distinguish the Third-Party Charges contained therein from Carrier’s service, usage and other charges. This section of the Consumer’s Bill shall contain a heading that Clearly and Conspicuously identifies that the charges are for Third-Party Products; and
 - b. The Third-Party Charge billing section required by this Paragraph shall include a Clear and Conspicuous disclosure of a Consumer’s ability to Block Third-Party Charges, including contact and/or access information that Consumers may use to initiate such Blocking. 15. Consumer Contacts: When a Consumer contacts Carrier with regard to a Third-Party Charge or a Block, Carrier shall:
- a. provide the Consumer with access to a customer service representative who has access to the Consumer's account information for at least the prior twelve (12) months;
 - b. beginning no later than thirty (30) days after the Effective Date, for any Consumer who claims he or she did not authorize a Third-Party Charge incurred after the Effective Date, either (1) provide the Consumer a full refund or credit of any and all disputed Third-Party Charges not previously credited or refunded to the Consumer, or (2) deny a refund if:
 - i. Carrier has information demonstrating that the Consumer provided Express Informed Consent to the Third-Party Charge, offers to provide such information to the Consumer, and, upon request, provides such information to the Consumer; or
 - ii. the disputed Third-Party Charge (either a single charge or a recurring charge) was initially incurred more than six (6) years prior to when the Consumer contacts Carrier and Carrier is in compliance with Paragraph 12 with respect to the charge.
 - c. if the Consumer claims that he or she did not authorize a Third-Party Charge, and the Consumer is a current customer of Carrier, offer the Consumer the opportunity to Block future Third-Party Charges;
 - d. beginning no later than thirty (30) days after the Effective Date, not require the Consumer to first contact the Third Party in order to receive a refund/credit of any claimed Unauthorized Third-Party Charge, although this subparagraph does not prohibit asking the Consumer if he or she has contacted the Third Party and/or if the Consumer has already received a credit or refund from the Third Party for some or all of the claimed Unauthorized Third-Party Charge;
 - e. beginning no later than thirty (30) days after the Effective Date, in the event a customer disputes a Third-Party Charge as unauthorized, until such time as the provisions of Paragraph 15.b.2.i or ii are satisfied, not:

To the extent that Carrier no longer permits Third-Party Charges on Consumers' Bills, Carrier will conduct one training program within three months of such cessation and will have no further obligation to conduct training programs under this Paragraph so long as Carrier does not permit Third-Party Charges on Consumers' Bills.
17. Record Keeping: No later than February 1, 2015, Carrier shall:
- a. implement a process to track (1) all Consumer claims that a Third-Party Charge was unauthorized for which Carrier demonstrated that purchaser provided Express Informed Consent; (2) refunds/credits provided due to Carrier's inability to provide proof of Express Informed Consent in response to such a claim by a Consumer; and (3) any other information necessary to prepare the Quarterly Reports described in Paragraph 19; and
 - b. implement systems that allow it to maintain the information described in this Paragraph. Each record created pursuant to this Paragraph shall be maintained for a period of six (6) years from the date of its creation. Carrier's obligation to maintain records for six years from the date of their creation shall continue after Carrier's obligation to provide the Quarterly Reports described in Paragraph 19 expires.
18. Cooperation with Attorney General: Carrier shall, for at least six (6) years from the Effective Date, designate a contact to whom the Attorney General may provide information regarding any concerns about Unauthorized Third-Party Charges, and from whom the Attorney General may request information and assistance in investigations. Such information and assistance shall include information regarding the identity of Third Parties placing Third-Party Charges on Carrier's Bill, revenue from such Third-Party Charges, refunds provided relating to the Third-Party Charges, any audits conducted of the Third Party (to the extent not protected by attorney-client privilege or attorney work product), and any applications or other information provided by the Third Party, to the extent that Carrier has access to such information. Carrier shall provide such information within a reasonable period and shall cooperate in good faith with such requests, including investigating any reports of Unauthorized Third-Party Charges the Carrier receives from the Attorney General.
19. Information Sharing with Attorneys General:

- a. Carrier shall, for at least six (6) years from April 1, 2015, provide a report to the Office of the Vermont Attorney General every three (3) months (“Quarterly Reports”) documenting its compliance with the requirements of Paragraph 15. Without limiting Carrier’s obligations under Paragraph 15, the quarterly reports shall include the following:
 - i. the total number of Consumer claims for unauthorized Third-Party Charges for which Carrier has demonstrated that the purchasers provided Express Informed Consent;
 - ii. all refunds/credits provided, in dollars, due to Carrier’s inability to provide proof of Express Informed Consent in response to such a claim by Consumers;
 - iii. for the claims and refunds/credits identified under subparagraphs i and ii, above, the Third-Party Product, the Third Party, and the entity responsible for ensuring Express Informed Consent from the Consumer if different than Carrier; and
 - iv. a description of any remedial action taken by Carrier against Third Parties for Unauthorized Third-Party Charges, including, but not limited to, any actions taken to limit or terminate a Third Party’s ability to place Third-Party Charges on a Consumer’s Bill. The description of any remedial action provided under this subparagraph shall include: (a) the name and contact information of such Third Party, (b) a description of the Product in connection with which the remedial action that was taken, (c) an indication of whether the Product was suspended or terminated (and if the Product was suspended, Carrier shall include the date or conditions for reinstatement), and (d) the reason for the remedial action.
- b. Information in Quarterly Reports shall be presented on a national basis and provided electronically in a format to be agreed to by the parties. Quarterly Reports shall be provided within thirty (30) days of the end of each calendar quarter.

V. MONETARY PAYMENT

20. Carrier shall pay a total of Twenty Million Dollars (\$20,000,000.00) to the Participating States. For purposes of this Assurance, Carrier shall pay One Million One Hundred Seventy Six Thousand Nine Hundred Seventy Six Dollars and Twenty One Cents (\$1,176,976.21) to the State of Texas. In no event will the amount paid by Carrier to the Participating States exceed the total amount of \$20 million. Payment shall be made no later than thirty (30) days after the Effective Date. Said payment shall be used by the Texas Attorney General for purposes that may include, but are not limited to, civil penalties, attorneys’ fees, and other costs of investigation and litigation, or to be placed in, or applied to, any consumer protection law enforcement fund, including future consumer protection or privacy enforcement, consumer education, litigation or local consumer aid fund or revolving fund, used to defray the costs of the inquiry leading hereto, or for other uses permitted by state law, at the sole discretion of the Texas Attorney General. Specifically, payment shall be allocated as follows:

 - b. Carrier has agreed to contribute Eighty Million Dollars (\$80,000,000.00) to a consumer redress program administered by the Federal Trade Commission ("FTC") in consultation with the Attorneys General and the FCC, to resolve the concurrent FTC investigation regarding Unauthorized Third-Party Charges. To the extent the FTC transfers any residual amounts to the Participating States following the completion of the redress program, the Participating States shall use such money in the manner and for the purposes identified in Paragraph 20 above.

VI. RELEASE

22. Effective upon full payment of the amounts due under Paragraphs 20 and 21, the Attorney General releases and discharges Carrier and its officers, employees, agents, successors, assignees, affiliates, merged or acquired entities, parent or controlling entities, and subsidiaries from any and all claims, suits, demands, damages, restitution, penalties, fines, actions, and other causes of action that the Attorney General could have brought under the Texas Deceptive Trade Practices-Consumer Protection Act, TEX. BUS. & COM. CODE § 17.41, *et seq.*, both known and unknown, arising directly or indirectly out of or related to billing, charging, disclosures, policies, practices, actions or omissions related to PSMS or Unauthorized Third-Party Charges that were incurred prior to the Effective Date. In the case of affiliates, acquired entities, or subsidiaries, this release only covers conduct occurring during the time such entities are or were affiliates or subsidiaries of Carrier. Nothing contained in this Paragraph shall be construed to limit the ability of the Attorney General to enforce the obligations that Carrier and its officers, agents, servants and employees acting on its behalf, have under this Assurance.
23. Nothing in this Assurance shall be construed to create, waive, or limit any private right of action.
24. Notwithstanding any term of this Assurance, any and all of the following forms of liability are specifically reserved and excluded from the release in Paragraph 22 as to any entity or person, including Carrier:
- a. Any criminal liability that any person or entity, including Carrier, has or may have to the State of Texas.

- b. Any civil or administrative liability that any person or entity, including Carrier, has or may have to the State of Texas under any statute, regulation or rule not expressly covered by the release in Paragraph 22 above, including but not limited to, any and all of the following claims:
 - i. state or federal antitrust violations;
 - ii. state or federal securities violations; and
 - iii. state or federal tax claims.

VII. GENERAL PROVISIONS

- 25. The parties understand and agree that this is a compromise settlement of disputed issues and that the consideration for this Assurance shall not be deemed or construed as: (a) an admission of the truth or falsity of any claims or allegations heretofore made or any potential claims; (b) an admission by Carrier that it has violated or breached any law, statute, regulation, term, provision, covenant or obligation of any agreement; or (c) an acknowledgement or admission by any of the parties of any duty, obligation, fault or liability whatsoever to any other party or to any third party. This Assurance does not constitute a finding of law or fact, or any evidence supporting any such finding, by any court or agency that Carrier has engaged in any act or practice declared unlawful by any laws, rules, or regulations of any state. Carrier denies any liability or violation of law and enters into this Assurance without any admission of liability. It is the intent of the parties that this Assurance shall not be used as evidence or precedent in any action or proceeding, except an action to enforce this Assurance.
- 26. Unless otherwise specifically provided, all actions required pursuant to this Assurance shall commence as of the Effective Date. For entities that Carrier has acquired since September 2013, and in the event that Carrier acquires any new entity, Carrier shall take immediate steps to cease billing charges for all Commercial PSMS. With respect to such entities, Carrier shall provide the Consumer with access to a customer service representative who shall have access to the Consumer's account information related to Third-Party Charges for at least the prior twelve (12) months. If such information is not available, Carrier shall have twelve (12) months to come into compliance with Paragraph 15(a) with respect to such entities and, while coming into compliance respond to the Consumer's inquiry within ten (10) days using any available information. As to all other requirements contained in this Assurance, Carrier shall have a reasonable period of time, which in no event shall exceed six (6) months, in which to bring said entity into compliance with this Assurance and during that period, Carrier shall take reasonable steps to obtain Express Informed Consent before a Consumer is billed for any Third-Party Charge.
- 27. Nothing in this Assurance limits Carrier's right, at its sole discretion, to provide refunds or credits to Consumers in addition to what is required in this Assurance.
- 28. Carrier understands that the Attorney General may file and seek court approval of this Assurance. Should such an approval be obtained, the court shall retain jurisdiction over this Assurance for the purpose of enabling the parties to apply to the court at any time for

orders and directions as may be necessary or appropriate to enforce compliance with or to punish violations of this Assurance. Neither party will object on the basis of jurisdiction to enforcement of this Assurance under this provision.

29. As consideration for the relief agreed to herein, if the Attorney General of a Participating State determines that Carrier has failed to comply with any of the terms of this Assurance, and if in the Attorney General's sole discretion the failure to comply does not threaten the health or safety of the citizens of the Participating State and/or does not create an emergency requiring immediate action, the Attorney General will notify Carrier in writing of such failure to comply and Carrier shall then have ten (10) business days from receipt of such written notice to provide a good faith written response to the Attorney General's determination. The response shall include an affidavit containing, at a minimum, either: (a) A statement explaining why Carrier believes it is in full compliance with the Assurance; or (b) A detailed explanation of how the alleged violation(s) occurred; and (i) A statement that the alleged breach has been addressed and how; or (ii) A statement that the alleged breach cannot be reasonably addressed within ten (10) business days from receipt of the notice, but (1) Carrier has begun to take corrective action to address the alleged breach; (2) Carrier is pursuing such corrective action with reasonable and due diligence; and (3) Carrier has provided the Attorney General with a detailed and reasonable time table for addressing the alleged violation(s).
30. Nothing herein shall prevent the Attorney General from agreeing in writing to provide Carrier with additional time beyond the ten (10) business day period to respond to the notice provided under Paragraph 29.
31. Nothing herein shall be construed to exonerate any contempt or failure to comply with any provision of this Assurance after the date of its entry, to compromise the authority of the Attorney General to initiate a proceeding for any contempt or other sanctions for failure to comply, or to compromise the authority of the court to punish as contempt any violation of this Assurance. Further, nothing in this Paragraph shall be construed to limit the authority of the Attorney General to protect the interests of the Participating State or the people of the Participating State.
32. The Participating States represent that they will seek enforcement of the provisions of this Assurance with due regard to fairness.
33. Carrier shall designate one or more employees to act as the primary contact for the Attorney General for purposes of assisting the Attorney General in investigations. Carrier shall provide the Attorney General with the name(s), address(es), telephone number(s), facsimile number(s) and electronic mail address(es) of each such employee.
34. This Assurance is intended to supplement, and does not supplant or in any way restrict, the Attorney General's subpoena power and/or investigative authority pursuant to applicable law.
35. This Assurance does not supplant or in any way restrict the Attorney General's powers to investigate the prevalence of Unauthorized Third-Party Charges or the extent to which this Assurance has affected the prevalence of Unauthorized Third-Party Charges in its jurisdiction.

36. This Assurance does not supplant or in any way restrict Carrier's legal rights and ability to demand formal legal process to protect its Consumers' privacy rights and/or to protect Carrier from potential liability for disclosing or sharing such information without legal process.
37. The only persons with rights under this Assurance are the parties to the Assurance, namely Carrier and the Attorney General. No third party is entitled to claim rights under this Assurance and no provision of this Assurance is enforceable by any person or entity not a party to the Assurance. The agreement in this Assurance has no third-party beneficiaries.
38. This Assurance represents the full and complete terms of the settlement entered by the parties hereto.
39. All parties participated in the drafting of this Assurance.
40. This Assurance may be executed in counterparts, and a facsimile or .pdf signature shall be deemed to be, and shall have the same force and effect as, an original signature.

43. If any clause, provision or paragraph of this Assurance shall, for any reason, be held illegal, invalid or unenforceable, such illegality, invalidity or unenforceability shall not affect any other clause, provision, or paragraph of this Assurance and this Assurance shall be construed and enforced as if such illegal, invalid or unenforceable clause, provision, or paragraph had not been contained herein.

44. Nothing in this Assurance shall be construed as relieving Carrier of the obligation to comply with all local, state and federal laws, regulations or rules, nor shall any of the provisions of this Assurance be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules.
45. The parties understand that this Assurance shall not be construed as an approval of or sanction by the Attorney General of Carrier's business practices, nor shall Carrier represent the decree as such an approval or sanction. The parties further understand that any failure by the Attorney General to take any action in response to any information submitted pursuant to the Assurance shall not be construed as an approval, or sanction, of any representations, acts or practices indicated by such information, nor shall it preclude action thereon at a later date.
46. Carrier shall not participate, directly or indirectly, in any activity or form a separate entity or corporation for the purpose of engaging in acts or practices in whole or in part in Texas that are prohibited by this Assurance or for any other purpose that would otherwise circumvent any term of this Assurance. Carrier shall not cause, knowingly permit, or encourage any other persons or entities acting on its behalf, to engage in practices from which Carrier is prohibited by this Assurance.
47. If the Attorney General determines that Carrier made any material misrepresentation or omission relevant to the resolution of this investigation, the Attorney General retains the right to seek modification of this Assurance.
48. In the event that any statute or regulation pertaining to the subject matter of this Assurance is modified, enacted, promulgated or interpreted by the Federal government or any Federal agency, such as the FCC, such that Carrier cannot comply with both the statute or regulation and any provision of this Assurance, Carrier may comply with such statute or regulation, and such action shall constitute compliance with the counterpart provision of this Assurance. Carrier shall provide advance written notice to the Attorney General of Vermont of the inconsistent provision of the statute or regulation with which Carrier intends to comply under this Paragraph, and of the counterpart provision of this Assurance that is in conflict with the statute or regulation.
49. In the event that any statute or regulation pertaining to the subject matter of this Assurance is modified, enacted, promulgated or interpreted by a Participating State, such that the statute or regulation is in conflict with any provision of this Assurance, and such that Carrier cannot comply with both the statute or regulation and the provision of this Assurance, Carrier may comply with such statute or regulation, and such action shall constitute compliance with the counterpart provision of this Assurance. Carrier shall provide advance written notice to both the Attorney General of Vermont and the Attorney General of the Participating State, of the inconsistent provision of the statute or regulation with which Carrier intends to comply under this Paragraph, and of the counterpart provision of this Assurance that is in conflict with the statute or regulation.
50. To seek a modification of this Assurance for any reason other than that provided for in Paragraphs 48 or 49 of this Assurance, Carrier shall send a written request for

modification to the addressee listed in Paragraph 41. The Participating States shall give such petition reasonable consideration. Carrier reserves all rights to pursue any legal or equitable remedies that may be available to it.

51. To the extent that any of the provisions contained herein permit implementation beyond the Effective Date, the parties have agreed to the delayed implementation of such provisions based on Carrier's representation that it is currently unable to meet the requirements of such provisions and that it needs the additional specified time to develop the necessary technical capabilities to come into compliance with the requirements of such provisions. Carrier agrees to make good faith and reasonable efforts to come into compliance with any such provisions prior to the implementation dates set by such provisions.
52. Carrier shall pay all court costs associated with the filing of this Assurance.
